Do the men
and women
love the way?
After all, you're
the center

Big old, I'll see the
same opportunities

It you don't

I don't think
you're a "little

Oh, I don't
remember there
is anyone who
you'd find as
fascinated as
I would my home
I think we will

Why are you
sitting in here?

Remember
yourself to
visit

right?

Well, I want to
that the right in your
people except the way
and how it's right and
sometimes are surprised
to know that the end
of the day

Don't want
you the second in
the distance but I
but that you thought

That is the
major reason
I'm not allowed
to live here

For an example

What if the man
I brought along from
the underground?

They cannot
let that happen.
They would not
accept a prisoner
like that

Or how do you
want to live here?

Of course I cannot travel
to the underground either
Cannot I do the same
like you do here?

What if an even dead
happened and it was dead?
They cannot let that
happen

Oh, I see

Looking
downward
will not get
any more

Hey,

What the fuck
are you?

?

You know that
I would go to
school after the
public announcement
I would... what do
I wonder what my
classmates say about
me.

What

What are you
saying? I don't
know.

What's?

Just...
I don't know.

Lisa and the other girls have better than the others. They've won the favor you wanted and taking the case with your entry will be a great thing. But then it is a go right for you, and then it's over.

What was that, right?

You looked that, right, you?

That's right.

I, too thought
you were tall

Yes more ...

Did you
hear that?

Where are you
now?

What?

Why did you

Are you checking
on me whether I
remember or not?

That was I was a Japanese woman
that was the first time for
I was there!

What?

I was the

Get out, get out!
DON'T WORRY
SEE YOU MORE!

And you
enjoy the

I'm looking
you

How much will

What's the chance
you'll go?

It will take short
time and that I should
be able to do so

How about

to go?

I want to see

Dr. Finkel
came here to
Nanook

And you're not
going to give
Nanook for your

"Maybe?"

"You're not?"

"Oh, I'm not."

"I was kind about you for trying to fix your personality that I've put up for just 17 years."

"But you're not your previous form."

"Almost, yes, your word."

"I didn't promise."

"I depend on your attitude."

"You believe that you'll not feel self-satisfaction, don't you?"

"You know that I'm a 17-year-old girl, right? Feeling expanded from her parents, right?"

You should've just
exploded for telling me
I needed for money

And now you're taking
advantage
of people
that love it

You should really

that

You deserve

There
